AKTIV-CARGO-PLUS-POLICY
MARINE CARGO INSURANCE

FROM DOOR TO DOOR - AROUND THE WORLD - GOODS OF ALL KIND

The forwarder's business terms respectively his forwarding terms and conditions often stipulate legal limitations with regard to maximum liability as well as liabilty reasons. Due to said limitations, the actual value of goods is often only inadequately covered in case of a claim.

Protect yourself against this risk with Aktiv Assekuranz. With our marine cargo insurance, you can insure your goods against loss and/or damage, as well as consequential damage to goods and financial losses that may occur during transport by road, sea, air or during temporary storage.

Highlights of AKTIV-CARGO-PLUS-POLICY:

All-risk coverage including war, strike and confiscation risk, as well as improper loading and inadequate packaging

- All transports are covered including transports within a business premises.
- Storage in own or forwarding warehouse can also be insured.
- Additional transport costs, salvage and disposal costs and penalties are also covered.
- Our policy concept also includes hidden damages, gross negligence and extraordinary additional costs such as overtime surcharges as well as rush, express and flight costs due to a claim.

The AKTIV-CARGO-PLUS-POLICY will be tailored to your individual needs through a comprehensive risk analysis.

Please contact us. We will be happy to provide you with detailed information!

Your benefits:

- One framework without single declaration
- At the beginning of the year, the minimum and advance premium is charged, and at the end of the year, only the net annual turnover is reported for the final settlement
- Low administration effort
- Low costs
- Fast and unbureaucratic support in case of claim
