LOGISTIC-OPERATORS-LIABILITY-POLICY

OVERALL PROTECTION AND HIGHLY COMPETITIVE PREMIUMS.

Aktiv has developed this policy to meet the needs of logistic operators and freight forwarders around the world.

Global logistic operators and freight forwarders nowadays provide a wide scope of services: not only road & rail transportation, sea or air freight is rendered to customers.

Logistic operators are involved in supply chain management, contract logistics, NVOCC activities, warehousing, customs brokerage etc. in order to offer one stop shopping solutions. The respective liabilities are manifold and have the potential to ruin balance sheet.

Aktiv offers a new one stop shopping solution in insurance for logistic operators: Logistic-Operators-Liability-Policy.

Aktiv and their network of specialists will be pleased to make you an offer. We will thoroughly analyse your needs and risk management requirements.

Our insurers are specialized, firstclass carriers with global experience in the field of logistics. Our staff members take care of your claims handling needs.

Please do not hesitate to ask for an offer! We are looking forward to giving you our best service.

The cover includes:

- All logistic activities
- Worldwide coverage – no geographical restrictions
- All modes of transport
- Including customs liability
- Including third party liability
- Including warehousing activities
- All transport documents, bills of lading used
